Government Cable-Laying Ship on Uncharted Reef.

Seattle, Wash., Sept. 29.—The steamship Orizaba, arriving last night, brings news that the steamer Orizaba, engaged in laying a Government cable across the North Pacific, was aground on an uncharted reef near the latter place, September 17.

General Greely, chief signal officer, arrived on the Orizaba. He was on board the ship at the time of the accident. The vessel will be saved unless a sudden storm intervenes.

The steamer Orizaba started at 10 o'clock from Seattle for the coast of Alaska, carrying the Government cable. The laying of the cable will be postponed until next week.

The Orizaba brought down 500 passengers.

**American Army and Navy Heroes.**

The Ambrose-Busch Pressing Association has made many very handsome playing cards which depict the likenesses of the army and navy heroes on each face card.

The cards are full size, highest quality, gold edge, round corners, indestructible, lithographed, and with either red, green, brown or blue backs, combined with gold in an artistic pattern. They are packed in a substantial red leatherette case, color to match the backs. It is said that the usual retail price of cards of this quality is 60 cents, but by reason of the extraordinary large quantity the Ambrose-Busch pressing association is sending them for 25c per pack and prepay postage, in order to get them into circulation. It will be remembered that colors may be selected to suit. They may be had by sending proper amount to Mail Order Department, Ambrose-Busch Association, St. Louis, Mo.

## KINGSTON LEADS THE SIREN ON THE RUNNING TURF

Ballyhoo Bey's Win of the Futurity Put Him in the Lead—Domino Has Star of the Season in Commando.

Kingston will in all probability be the leading sire of 1901. To date he has won the most money during the year, and there seems little chance for any of the other great sires to displace him. In view of the fact that all of the highest stakes have been won by his sons, it is not surprising that he is the sire of the season.

Domino, who led the sires of last year, and his nearest competitor will be the great Domino.

As in other years, the Futurity winner has been the sire of the season. Last year Kingston stood up in the list of the best of his year, but Albert, on the wings of his victory, was the sire of the season. This year Kingston has several good sons to fall back upon. There is W. C. Whitney's Ballyhoo Bey, who won \$250,000 when he won the Futurity, and who is the sire of the season. He is the sire of the season. He is the sire of the season.
